

# Online training course for academic writing/publication Nature Masterclasses

Lectures by  
36 editors  
from 20+  
Nature Research  
journals

15 modules  
cover steps  
from plotting  
to publication  
of your paper

To understand  
what editors require  
in your articles

As one of education/research supporting measures, we have introduced “Nature Masterclasses”, the online training tool provided by the Springer Nature for learning about scientific writing, peer reviewing, etc. Anyone who belongs to Doshisha University as faculty, student or staff can take the course for free.

If you are interested in taking the course, please visit our website below for more details.
