Research Topic	“The ways to induce loyalty in the Hittite kingdom compared with the biblical evidence”	
Summary of Research Results	<p>This year research has been most fruitful. I have advanced my research on that topic by the study of the Hittite texts, and by writing a few articles, which appear in international most important journals abroad. (See below the list)</p> <p>I have participated in international conference in Atlanta USA last November where I read a paper that will appear in a book collection soon.</p> <p>I have purchased books for my research and developed several other fields of inquiry.</p> <p>Following are the articles:</p> <ul style="list-style-type: none">- “Biblical <i>covenant</i> and Hittite <i>ishiul</i> reexamined.” Forthcoming <i>Vetus Testamentum</i> 2011.- “Covenant Priesthood: Cross-Cultural Legal and Religious Aspects of Biblical and Hittite Priesthood” in: “<i>The LORD Is Their Inheritance</i>”: <i>Priests and Levites in History and Tradition</i>, ed.
