研 究 題 目	The Canadian Contribution to Cid Corman:s ORIGIN magazine	
研 究 成 果 の 概 要	<p>During the past year I performed research in the Poetry Collection of Simon Fraser University in British Columbia, the University of Saskatchewan Rare Book Library in Saskatoon, Special Collections at the University of Manitoba in Winnipeg, The National Library in Ottawa, and Rare Books at the University of New Brunswick in Fredericton—all in Canada. This past winter I spent a week in the Berg Collection of the New York Public Library. All of this research related to upcoming book on the Canadian contribution to Cid Corman:s ORIGIN magazine, to be published by University of Toronto Press.</p> <p>I also wrote two articles, one which will be published in <i>Beat Scene</i> magazine in England in April, the other appearing, in translation, in a special guest-edited environmental issue of a Japanese journal that will be published in the coming year.</p>
